

THE ANNUAL ISRAELI GAME INDUSTRY CONFERENCE
DECEMBER 18 2013, TLV

GAMEIS 2013 ANNUAL CONFERENCE CALL FOR SPEAKERS

GAMEIS, THE ISRAELI DIGITAL GAMES INDUSTRY ASSOCIATION IS ANNOUNCING ITS 2013 ANNUAL CONFERENCE!

Local companies and visitors from abroad will convene, participate in industry panels, talks and workshops, share their stories and display their latest crop.

We are now calling international speakers to participate in our annual event, expected to host over 600 participants this year. We will be honored to have you here with us and share from your experience - either as an individual or as a representative of your company.

If you wish to partake in our conference please contact us as early as you can, and let us know what topic and delivery format you would like to present.

Among the talents we hosted in past events, are key people at companies such as Blizzard, DICE, Unity 3D, Majesco, Plaruim, Casual Connect, Playtika, Microsoft, Adobe, IGDA, Google, Facebook, Waze, Primesense and more. We will be glad to add you to this growing list.

THE ISRAELI DIGITAL GAMES INDUSTRY

The Israeli game industry is comprised of thousands of developers and designers in the fields of video game content and technologies. The state of Israel, already known as a "Start-Up Nation", has recently left its mark as a rising force in the gaming world, with multiple local companies receiving worldwide acclaim.

GAMEIS - THE DIGITAL GAMES INDUSTRY ASSOCIATION IN ISRAEL

GameIS is a Non-Profit Organization, bringing together the majority of Israeli game companies and developers. Our goal is to advance the local industry, improve communications with the worldwide industry, and support game development education and culture.

THE ANNUAL EVENT

OVERVIEW

The Annual Israeli game industry conference is held every year in December, in cooperation with leading companies from the Israeli and international market. The event includes multiple tracks and sessions, booths and displays, game exhibitions, and the annual Israeli game developers awards ceremony.

EVENT'S AUDIENCE

The event brings together industry professionals in Israel, and is intended for a target audience of developers, designers, and other industry members from the fields of production, art, programming, marketing, investments and entrepreneurship.
